## WHAT IS THE DREAM BUILDING FUND?

Financial and knowledge support for those who bring local solutions to humanities most pressing problems (UNSDGs) through Table Tennis.

Grant for individual project range from EUR10,000 – 35,000.

The ITTF Foundation is to fund a total of approximately 5 projects.

Each project should last for 2 to 3 years.

---

2

---

## WHO IS IT FOR?

Any legally established and locally recognized non-profit, Table Tennis, sport, or social organization with a project of bringing about positive change in its local or regional environment through the means of Table Tennis. The ITTF Foundation cannot support individuals directly; the support must go through a supporting or legally established organisation which is able to receive the grant.

---

## WHAT DO SUCCESSFUL APPLICANTS RECEIVE?

- The chance to take your first steps towards your dream to improve the situation or conditions in your community.
- The knowledge to use a fun, physical distancing - physical activity, to share and realise your dream.
- The support and guidance from ITTF Foundation to develop your project.
- The opportunity to promote your project through ITTF Foundation channels.
- Access to a network and resources (not only the grant, but also: visibility, promotion, capacity building, equipment, monitoring and evaluation, transparency, and reporting on your impact).
